

2012 SCIENTIFIC DAY APPROVAL FORM

Presenter's Name: _____

Project Title: _____

Project Category: Hypothesis Driven *Example: Research Project*

(Check One Box)

Non-Hypothesis Driven *Example: Case Report, Literature Review, etc.*

1. ABSTRACT SUBMISSION and APPROVAL: When you have completed your abstract, submit it to your mentor for revision and approval. When you and your mentor are satisfied with your abstract, the faculty mentor is to e-mail the final abstract to luellen-chenoweth@ouhsc.edu. This must be done by the faculty mentor, as assurance that your abstract has been reviewed and approved. The abstract will appear in the Scientific Day program booklet exactly as it is submitted.

Student/Resident Info: Deadline for submission is Friday, March 16, 2012. This deadline is critical for final printing of the program booklet. Sooner is better.

2. FACULTY MENTOR'S APPROVAL for POSTER PRINTING: As faculty mentor of the above mentioned research project, I hereby state I have examined the student's poster and approve it for printing. (Posters will only be printed once - please check for errors.)

MENTOR'S SIGNATURE: _____ **DATE:** _____

Student/Resident Info: Last day to sign up for a printing time is Friday, March 16, 2012. After faculty mentor's signature of approval is obtained, take this signed form to the Dental Informatics Department (Room 365, OUCOD) along with a disk containing your saved poster template. Your poster will be printed during the appointment time that you previously reserved.
