

Minimal Student Clinical Requirements

	Summer	Fall	Spring
DS 2	<p>Oral Diagnosis – Adult Prevent OD 7405</p> <p>25% Periodontics Evaluation 75% OD Workup</p> <p>Periodontics:- Year Long Course 20 RVUs (40% of Final Grade) Oral Hygiene Instruction Competency Supra-Gingival/Scaling Competency Daily Clinical Average (60% of Final Grade)</p>	<p>Oral Diagnosis – Fall/Spring Patient Contact OD 7625 - year long</p> <p>35% Quantity of work-ups 65% Quality of work-ups</p> <p><u>Quantity of work-ups = 35%</u></p> <p>5 work-ups = 100% 4 work-ups = 95% 3 work-ups = 85% 2 work-ups = 75% 1 work-up = 65%</p>	<p>Occlusion – 2 Occlusion Work-up presentations</p> <p>Operative – 8 RVUs</p>

DS3	Summer	Fall	Spring
	<p>Clinical Oral Diagnosis I – Summer/Fall</p> <p>25% Quality of Work-ups 20% Quantity of Work-ups 20% Screenings 15% Treatment Planning Seminar 20% Screening Competency Exam</p> <p><u>Quantity of work-ups = 20%</u></p> <p>8 work-ups = 100% 7 work-ups = 85% 6 work-ups = 75% 5 work-ups = 65% 4 work-ups = 60% 3 work-ups = 50% 2 work-ups = 40%</p> <p>FPD – Year Long Course – 1 single unit (full gold or metal ceramic)</p> <p>RPD - Year Long Course: 1 C/C (or immed/immed or combination) Max and Mand arched must be completed on the same patient or 1 RPD (metal framework)</p> <p>Operative – Year Long Course Complete 2 of the 3 Skills Assessments: Class II Amalgam Class II Resin Class III Resin</p> <p>Perio – Year Long Course – 50 RVUs Complete 3 Competencies: Diagnosis & Treatment Planning Scaling & Root Planing Phase I Re-Evaluation Grad Perio Surgical Assist as well as written reports for the Grad Perio Assist & Phase 1 Re-Evals</p>	<p>Endodontics – Year Long Course – Fall 3rd yr – Fall 4th yr 4 canals</p> <p>Complete DS3 competencies: Clinical Diagnostic Competency Clinical WL Competency Clinical Obturation Competency</p>	<p>Occlusion – 2 Occlusion Work-up presentations</p> <p>Clinical Oral Diagnosis II: Spring/Summer</p> <p>30% Quality of Work-ups 20% Quantity of Work-ups 30% Screenings 20% Treatment Planning Seminar</p> <p><u>Quantity of work-ups = 20%</u></p> <p>10 work-ups = 100% 9 work-ups = 90% 8 work-ups = 85% 7 work-ups = 80% 6 work-ups = 75% 5 work-ups = 70% 4 work-ups = 65% 3 work-ups = 0%</p> <p>Half of the class will do a rotation Spring semester of the Junior year and the second half of the class rotates during the Summer of the Senior year.</p>

	Summer		Fall		Spring		
DS4	Comprehensive Care: Recommended 70 RVUS		Comprehensive Care: Recommended 125 RVUs		Comprehensive Care: Recommended 220 RVUs Total 678 for graduation		
	Oral Diagnosis	5	Oral Diagnosis	10	Oral Diagnosis	23	Competencies: Fall – Perio Competency (1 of the 3): Diagnosis & Treatment Planning Scaling & Root Planing Phase I Re-Evaluation 2 of the 3 Operative Procedures: Class II Amalgam Class II Resin Class III Resin Spring – Mock Boards: 1 quad of Perio (anytime during the Spring semester) 2 of the 3 Operative Procedures
Operative	35	Operative	50	Operative	175		
Fixed	10	Fixed	30	Fixed	90	Endodontics: Total 10 canals for graduation Complete DS4 competencies: Clinical Diagnosis Competency Clinical Treatment Competency	
Removable	10	Removable	20	Removable	50		
Periodontics	10	Periodontics	15	Periodontics	150		
				Miscellaneous	140		
Radiology clinical requirements to be completed before graduation: <u>DS2:</u> 8 FMX plus one clinical competency. Passing grade is 70%. 5 Panoramic images. <u>DS3:</u> 8 FMX plus one clinical competency. Passing grade is 70%. 5 Panoramic images. <u>Current seniors:</u> 10 FMX. Passing grade is 70%. Or 8 FMX plus one clinical competency with passing grade of 70%. 5 Panoramic images.				Pedo Competencies: There are 7 types of competencies. They are: 1. Comprehensive Oral Evaluation/Case Presentation- Type 2 or 3 Patient 2. Recall 3. Minor 1 Restorative: an occlusal restoration on a primary or permanent tooth, or 2 or more sealants on permanent teeth 4. Major 2 Restorative: either a class II restoration on a primary tooth or a pulpotomy or a SSC 5. Local Anesthesia 6. Prophylaxis 7. Caries Risk Assessment (CRA): refer to AAPD Guidelines @ http://www.aapd.org/media/Policies_Guidelines/BP_CariesRiskAssessment.pdf All 7 competencies must be successfully completed to graduate, but at least 1 competency must be successfully completed per semester. If the student has already completed 1 major, then 1 additional major can equal 1 minor. The student must declare to the instructor that they are doing the procedure as a competency prior to the start of the procedure.
