DENTAL HYGIENE PROGRAM

REGISTERED DENTAL HYGIENIST OBSERVATION HOURS LOG

IMPORTANT INSTRUCTIONS: *Minimum required R.D.H. observation hours is 40. Observing a DDS or dental assistant is not valid. Hours must be obtained in a private practice dental office setting. Applicants employed in a dental office should seek most of their observation hours outside of the office in which they are employed. Observation hours should include hours obtained within the last year. If observation hours are older than one year, it is recommended the applicant gain current additional hours to add to their log. Use one line for each individual date. Registered Dental Hygienists must sign each individual date logged. Use additional forms when necessary.*
