2 Composition/infe	ormation on ingredients				
Chemical characteri	sation Mixture of substances lis	sted below with harmless additions			
Description		See below with harmess additions			
Dangerous Compon	ients				
CAS 50-00-0	Formaldehyde Solution 37%	R23/24/25-34-40-43			
EINECS 200-001-8	-	Т			
3 Hazards identifie	cation				
Hazard description					
Xn Harmful					
Information concorr	ning to particular hazards to man ar	ad anvironment			
R40	Limited evidence of card				
R43	May cause sensitisation				
<b>Classification</b> syste	-				
	ification is according to the latest editi	ons of the EU-lists, and			
extended	by company and literature data				
4 First sid as sou					
4 First aid measu	es				
After inhalation	Supply fresh air and call for doctor for safety reasons				
After skin contact	Instantly wash with water and soap and rinse thoroughly				
If skin irritation continues, consult a doctor					
After eye contact Rinse opened eye for several minutes under running water					
	If symptoms continue, consult a doc	ctor			
After swallowing	fter swallowing Call for doctor immediately				
, on allowing	Rinse out mouth				
5 Fire fighting measures					
Suitable extinguishing agents					
Use fire fighting measures that suit the environment					

Protective equipment Put on breathing apparatus

# SERUSEP

Printing date

08/11/2006

# Material Safety Data Sheet According to 2001/58/EC

Reviewed on 01.12.2004 page 2 of 4

# Trade Name 10% v/v Buffered Formalin

# 6 Accidental release measures

#### Person related safety precautions

Wear protective equipment. Keep unprotected persons away

# Measures for environmental protection

Do not allow to enter sewers / surface or ground water

# Measures for cleaning/collecting

Absorb with liquid binding material (sand, acid binders, universal binders, sawdust) Dispose contaminated material as waste according to item 13 Ensure adequate ventilation

7 Handling and storage	
Handling	
PPE to be worn	

Information for safe handling Information about fire and explosion protection see Section 8 Ensure good ventilation at workplace No special measures required

#### Storage

. . . ...

Requirements to be met by storerooms and receptacles Information about storage in one common storage facility Further information about storage conditions None Not required Keep tightly sealed

# 8 Exposure controls / personal protection

# Additional information about design of technical facilities

#### No further data, see item 7.

# Ingredients with limit values that require monitoring at the workplace

Formaldeh	yde Solution 37% (50-00-0)		
MEL	Short term value	2.5 mg/m3, 2 ppm	
	Long term value	2.5 mg/m3, 2 ppm	

#### The lists valid during the making were used as basis

# Personal Protective equipment

#### General protective and hygienic measures

Keep away from foodstuffs, beverages and feed Instantly remove any soiled and impregnated garments Wash hands before breaks and at the end of work

Avoid contact with eyes and skin.

#### **Respiratory protection**

In case of brief exposure or low pollution use respiratory filter device. In case of extensive or longer exposure use self contained respiratory protective device

Protection of hands	Protective Gloves
Eye protection	Tightly sealed safety glasses
Body Protection	Protective work clothing
